

Sunday June 5th is going to be an awesome day! Not only will we be celebrating **Pentecost** and partaking in the **Lord's Supper**, but we have a full day of exciting things to offer. During the service **Pastor Rennie Kauffmann** (*who I went through Seminary with*) is going to assist me in the service and he will deliver the message for that day. But also **Mr. Michael Kelly Blanchard** will be performing the offertory with his Hymn **"Who do you thank"**.

Then later in the day **at 1pm**, we will be having our concert to benefit **Tunnel 2 Towers**. First **Rennie and Esther** will entertain you with their beautiful music and even more enchanting voices, then **Mr. Blanchard** will take the stage with **his storytelling, music and charm**. It will be an event to remember.

So please join us for both joyous events and share in this beautiful time of worship and fellowship.
