God Bless America

The American National Anthem

O say, can you see
By the dawn's early light
What so proudly we hail'd
At the twilight's last gleaming
Whose broad stripes and bright stars
Through the perilous fight
O'er the ramparts we watch'd
Were so gallantly streaming
And the rocket's red glare
The bombs bursting in air
Gave proof through the night
That our flag was still there
O say, does that star-spangled banner yet wave
O'er the land of the free
And the home of the brave

Battle Hymn of the Republic

Mine eyes have seen the glory of the coming of the Lord
He is trampling out the vintage where the grapes of wrath are stored
He have loosed the fateful lightening of His terrible swift sword
His truth is marching on
Glory, glory Hallelujah
Glory, glory Hallelujah
Glory, glory Hallelujah
His truth is marching on

He has sounded forth the trumpet that shall never call retreat
He is sifting out the hearts of men before His judgment seat
Oh, be swift, my soul to answer, oh, be jubilant, my feet
Our God is marching on
Glory, glory Hallelujah
Glory, glory Hallelujah

In the beauty of the lilies Christ was born across the sea
With a glory in His bosom that transfigures you and me
As He died to make men holy, let us die to make men free
While God is marching on
Glory, glory Hallelujah
Glory, glory Hallelujah
Glory, glory Hallelujah
His truth is marching on

God Bless America

God bless America, land that I love
Stand beside her and guide her
Through the night with the light from above
From the mountains to the prairies
To the oceans white with foam
God bless America, my home sweet home
God bless America, land that I love
Stand beside her and guide her
Through the night with the light from above
From the mountains to the prairies
To the oceans white with foam
God bless America, my home sweet home
From the mountains to the prairies
To the oceans white with foam
God bless America, my home sweet home
God bless America, my home sweet home
